Decisive sections of the record

- DOC-1#S4 — CHF 2047 Notes — Terms and Conditions (excerpt), Status: The CHF 2047 Notes constitute direct, unconditional, unsubordinated and unsecured obligations of the Issuer and rank pari passu among themselves and with all other senior unsecured indebtedness of the Issuer.

METHODOLOGY

A response is correct when its normalised answer equals the verified label. Evidence score is the F1 between cited section IDs and the supporting sections; cited IDs that do not exist count as hallucinated. Abstentions are correct only when the label calls for them. Ground truth is verified by two independent extractors plus an evidence check; no model grades itself.
